VOTING RECORD

Although not a direct voting record, Ford, as PC Leader, had to approve many pieces of anti-free speech, pro-abortion and anti-family laws, regulations and funding decisions.

Bad

SANCTITY OF LIFE

During his first lockdown of society, Ford shut down church worship, declaring it “non-essential”, but kept abortuaries running full steam as “essential” services.

Ford told reporters in 2019 that: “We are not - I’m going to repeat - we are not reopening any abortion issues”.

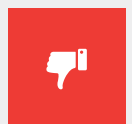

Bad

CONSCIENCE RIGHTS

Ford back-tracked on a PC leadership promise that he’d introduce conscience rights legislation to protect doctors from being coerced by the College of Physicians & Surgeons to participate in (or give referrals for) euthanasia and abortion. He has never done so.

Bad

FREE SPEECH

Strong supporter of censorship and cancel culture.

At this moment, has his Attorney General pursuing criminal charges against a Catholic priest for peacefully demonstrating inside a legislated censorship zone, within 50 metres of an abortion mill.

Ford invoked an unconstitutional and petty State of Emergency in order to try silencing the peaceful protestors in the Freedom Convoy. It represented a frontal assault on freedom of expression and the right to protest.

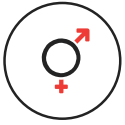

Bad

LGBTQ IDEOLOGY

Marched in Gay Pride Parades.

Grassroots members at a 2018 PC Policy Convention had passed a resolution to remove Gender Identity Theory from all school curriculum, but Ford unilaterally and undemocratically decided not to allow the policy to move forward.

Allowed his Education Minister to push transgender ideology in the *Toronto Catholic District School Board*. Minister Lecce, with Ford's full knowledge, attacked faithful Catholic Trustee Mike Del Grande for opposing the addition of "gender identity" and "gender expression" into the faith-based institution's Code of Conduct.

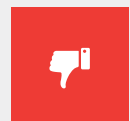

Bad

PARENTAL RIGHTS

Strongly opposed to parental rights in education.

Gave Ontario teachers permission to brainwash children with transgender & homosexual ideology at any grade, in any subject.

Bad

VACCINE MANDATES

Made abortion-tainted COVID injections mandatory for many employment and recreational sectors, regardless of conscientious objection.

Fired healthcare and other government workers for their private medical decision to not take an abortion-tainted COVID injection.

Instituted a Nazi-style system of segregation by vaccine status, in which some citizens had fewer rights and freedoms than others.

Imposed lockdowns which lead to increased child suicides, an explosion of mental health problems & substance abuse, and caused/will cause the eventual deaths of tens of thousands of people who missed cancer surgeries, cancer screenings, diabetes testing, and a plethora of other cancelled treatments.

Bad

DRUGS

Ford supports the establishment of government-run heroin shooting galleries in towns and cities throughout the province. There, addicts are legally permitted to take hard drugs including crack, heroin, fentanyl and crystal meth, thus destroying the surrounding neighborhood.

Is not opposed to decriminalizing all drugs including crack, heroin, etc., according to his Assistant Minister for Mental Health, Michael Tibbolo.
