LGBTQ IDEOLOGY

Will never march in a Gay Pride Parade

Good

PARENTAL RIGHTS

Believes that parents, not the government, should decide what children are taught with respect to moral issues.

Promised that under a New Blue government, schools will be “free from the threat of having woke left-wing nonsense put in our children’s heads”.

Opposes school lockdowns being used as a COVID “public health” tool.

Good

VACCINE MANDATES

Promised “legislation and fines that ban vaccine passports and digital identification”.

Note: All COVID vaccines currently available in Canada were produced and/or tested using cell lines from children killed by abortion. Consequently, coercing Canadians who object to abortion-tainted injections, with the power of vaxports, to vioate their conscience, is wrong and unconstitutional.

Promised “schools that are free from...the threat of having a COVID-19 vaccine put in our children’s veins without express parental consent”

Promised to end the destructive lockdown policy.

Will restore to freedom convoy truckers any driver’s licenses and other losses incurred by Doug Ford’s anti-freedom crackdown.

Good

DRUGS

Opposes the establishment of government-run heroin shooting galleries in towns and cities throughout the province. There, addicts are legally permitted to take hard drugs including crack, heroin, fentanyl and crystal meth, thus destroying the surrounding neighborhood and individuals.

Opposes the decriminalization of hard drugs, which we know cause tremendous harm to families.
